"If you are considering selling your home, we would highly recommend Bayleys agent, Jono King. We couldn't be happier with the result he has achieved for us. As we searched for a larger home for the changing needs of our family, Jono introduced us to a property that was perfect, and then embarked on securing a buyer for our lovely home. We had a small window of opportunity to sell to ensure we were positioned to purchase our dream home. Jono offered excellent advice through the entire process, he was hugely proactive in marketing our home through his network and via a campaign, and dedicated to delivering the desired result. Given the short period we had to work with, Jono's job wasn't made easy. What could have been a stressful time for us was certainly made easier given Jono's professionalism, constant positivity, responsiveness, and experience. Within 3 weeks of marketing our property Jono introduced a buyer at our asking price, and assisted us in negotiations to secure our dream home. We sold and bought on the same day, and we have Jono to thank for it all. Don't hesitate in engaging Jono, he's a stand out agent and a quality individual."
